St. Paulia African Violets

SPECIAL OFFER

All of our plants are out of two-inch pots. Large, healthy, state-inspected, grown in a special sterilized soil and in bud and bloom. We have hundreds of satisfied customers. Lowest price with highest quality. One trial order will convince you. Here are a few of our new ones at \$2.00 each or all three for \$5.00. Small plants about to bud.

BETTY LOU LILY PAD—Center clusters vivid blue flowers with extra dark cupped leaves which turn spoon shaped showing red underside on edges. Looks really like a lily pad. It's beautiful. Free bloomer.

LAVENDER SUNSET—A beautiful sport of orchid sunset with gorgeous pure lavender double blooms and beautiful smooth dark green leaves. Splendid bloomer.

MARILYN—Large shiny bright green leaves with large two-toned blooms, with a lavender pink diffusion. Extra fine bloomer which makes a real show plant.

These plants are scarce. Small but nice, about to bud.
